

Remarks

This Amendment has revised the application such that it is believed to be in allowable condition. More specifically, amendments have been made to overcome the 35 U.S.C. 112 indefiniteness rejection and to also incorporate the subject matter that was indicated to be allowable in the Office Action. The changes are discussed below.

The specification has been revised at page 3 to correspond with the claim changes involving the “positive” output.

Claim 1 has been amended to incorporate the allowable subject matter of claim 3, and claim 3 as dependent from claim 1 has been cancelled.

Claims 2 and 4 continue to depend from amended claim 1.

Claim 5, which was indicated to be allowable in the Office Action, has also been amended to be independent and thus incorporates the subject matter of originally filed claim 1. Furthermore, new claims 6, 7 and 8 have been added depending from amended claim 5 and respectively correspond with originally filed dependent claims 2, 3 and 6.

For the reasons set forth above, it is respectfully submitted that the application is now in an allowable condition such that it is appropriate to hereby respectfully solicit its allowance.

Respectfully submitted,
CHUNG-KUN LIU
